The Canadian Friends of Hockey in Ukraine (CFHU) was created in Winnipeg in October 2018 as a national committee to assist sports organizations in Ukraine in the area of organized hockey.

We are launching the program in November 2018 with a **one-week skills camp for the Halitsky Levy HC** which is located in Novoyavorivsk, Lviv Oblast in Western Ukraine.

We are pleased to announce that **former NHL stars Dave and Wayne Babych will be travelling to Ukraine** to work with players and coaches in Novoyavorivsk, near Lviv. There will be 230 skaters from ages of 6-18 participating in this camp.
